[23-cv-00355-JSW](#)

ORDER OF DISMISSAL

12 The above-captioned cases were opened when Petitioner, a California prisoner on death
13 row, filed a document “showing actual innocence” and a “request for expedited review” of his
14 conviction, both of which were construed as petitions for habeas corpus relief. Petitioner has a
15 pending petition for a writ of habeas corpus in which he challenges his state court judgment he
16 challenges in the petitions filed herein. *See Bonilla v. Ayers*, No. C 08-0471 YGR. He is
17 represented by counsel in that case, and he must bring all of his claims, motions, and other
18 requests, including the instant request, through counsel in that case. There is no need for
19 Petitioner to have more than one habeas case challenging the same state court judgment.
20 Accordingly, the above-captioned petition is DISMISSED. The clerk shall enter judgments and
21 close the files.

IT IS SO ORDERED.
